CAMDEN LABOUR BRIEFING

Dear comrade,
Please note the following events and meetings . Try to attend and get other socialists in the Labour Party, unions or community organisations to give their support .

CAMDEN AGAINST THE CUTS CAMPAIGN

Camden Workers Against the Cuts (CWAC) and Volcano will continue to meet to mobilise in their own constituencies (council workers and voluntary groups) while CACC will try to mobilise the users of services and the working class community in Camden . A meeting of the three groups agreed to pool their ressources into one bulletin which would be produced with the aid of Nalgo . It also agreed that a Camden wide conference would take place in November when we will know what the Labour Group is proposing , and we will then be in a better position to plan a responsed in opposition to the possible 20% cuts, redundancies, etc ..

CACC will meet every Monday at 6pm in a Committee Room in the Town Hall (venue to be confirmed) .

DEMONSTRATION to defend the "Under 5 nurseries" :
SATURDAY 26 SEPTEMBER , 11am from Caversham Road Nursery .

CAMDEN LABOUR BRIEFING
Camden Labour Briefing, a caucus of socialists in the Labour Party who want to fight the Tories rather than just give in, has proved extremelly valuable in the recent months . We have been able to launch a campaign against the cuts, and councillors who support the newspaper have provided a loud voice in opposition to the capitulation of the council leadership which contributed to Nalgo, Ucatt and the voluntary organisation coming out against co-operating with cuts and redundancies .

Come to the regular Camden Labour Briefing meetings which are on:
Monday 28 Sept, 8pm, Cttee room 3 ,
The cuts package from the Group leadership and our response, plus a councillor who supports Haringey Briefing will explain what is going on there .
Monday 19 Oct, 8pm, Cttee Room 2,
Labour Party Conference : what went on and what is the next move for the left .
